Murphy Aircraft Shines at EAA AirVenture Oshkosh 2024

Murphy Aircraft had an unforgettable experience at EAA AirVenture Oshkosh 2024! We were thrilled to showcase our lineup, including the Bull Moose, Super Rebel, and Turbine Moose, at Booths 405, 406, 288, and 629. The response from the aviation community was incredible, and we were delighted to connect with so many enthusiasts, customers, and industry professionals.

The highlight of the event was seeing the excitement and passion for our aircraft. The Super Rebel and Turbine Moose drew significant attention, with visitors eager to learn more about their capabilities and innovations. We were inspired by the conversations, feedback, and enthusiasm shared throughout the week.

Thank you to everyone who visited us at Oshkosh! Your support and interest in Murphy Aircraft continue to fuel our commitment to advancing aviation. We look forward to the next steps in our journey together and hope to see you at future events.

Until then, stay tuned for more exciting developments from Murphy Aircraft!

Welcoming Steve Drinkwater as Sales Manager

We are thrilled to announce that Steve Drinkwater has joined the Murphy Aircraft team as our new Sales Manager. Steve brings a wealth of experience and deep-rooted passion for aviation, having obtained his PPL in 1993, owned a flight school for several years and more recently serving as the editor and publisher of Canadian Aviator magazine. Steve currently owns a Piper Cherokee, but there might be a Murphy bush plane in his future. His extensive knowledge of the industry and connections within the Canadian aviation community make him a valuable addition to Murphy Aircraft.

Steve's leadership in sales will be instrumental as we continue to expand our market presence and deliver the high-quality, innovative aircraft that Murphy Aircraft is known for. His commitment to excellence and customer satisfaction aligns perfectly with our mission to provide the best in kitplane craftsmanship.
