Murphy Aircraft at the Canadian General Aviation Expo 2024

We're pleased to share that Murphy Aircraft participated in the Canadian General Aviation Expo on September 7, 2024. The event was a fantastic opportunity for us to showcase our aircraft models, allowing attendees to explore our innovations up close. We also had the pleasure of engaging

with a diverse group of aviation enthusiasts, from pilots to industry professionals, and gained valuable insights into emerging trends and technologies. A big thank you to everyone who visited our

booth and joined the conversation. We look forward to continuing these connections and sharing more updates with you soon!
