New Year, New Adventures: Build Your Murphy Radical

With an Easy-Build Kit in 2025!

The start of a new year is the perfect time to set ambitious goals, and there's no better challenge than building your own Murphy Radical. Imagine standing beside your completed aircraft after a few hundred hours of work, knowing every rivet and panel is the result of your hard work and dedication. The Murphy Radical Easy-Build Kit is designed to turn this dream into reality. Whether you're new to building or an experienced enthusiast, this kit streamlines the process with pre-drilled parts, precision-engineered components, and easy-to-follow instructions. It's more than just a project—it's a journey of learning, craftsmanship, and pride in creating something truly your own.

Set Your Goal for 2025

Why not make 2025 the year you commit to building your Radical? With consistent effort, you can complete your build in just one year. Start with the control surfaces, progress through the wings and fuselage over the coming months, and within a year you'll be ready to see your finished aircraft take shape. This isn't just about the destination—it's about the journey. Every stage of the build brings new skills to learn and milestones to celebrate. It's a process filled with pride and satisfaction as you watch your aircraft come to life, piece by piece.

Enjoy the Experience and Beyond

Building your Murphy Radical is a chance to immerse yourself in the rewarding experience of creating something extraordinary. By the time you take your first flight, you'll not only have an exceptional aircraft but also memories of a fulfilling year spent turning your vision into reality.

Start Your Adventure Now

There's no better time to begin than now. Let 2025 be the year you set an ambitious goal, embrace the process, and achieve something remarkable. The Murphy Radical Easy-Build Kit is ready for you—are you ready to start? murphyair.com/radical

Murphy Aircraft Global Map: Update

Our Murphy Aircraft Global Map continues to grow, thanks to all of you who've shared your stunning photos and stories! From snowy mountain strips in Canada to sun-soaked beaches in Australia, it's incredible to see Murphy Aircraft flying in such diverse and beautiful locations around the world.

This month, we're excited to highlight some of the latest additions to the map:

- ▶ Camas, WA, USA: A striking Murphy Moose captured in the beautiful Pacific Northwest, highlighting its utility and rugged design.
- ▶ Ipswich, UK: A classic Murphy Maverick cruising over the historic English countryside, a true tribute to timeless aviation craftsmanship.
- ▶ Kybong, QLD, Australia: A proud Murphy Moose spotted near the Sunshine Coast, showcasing the global reach of our adventurous community.

Every submission tells a unique story about where Murphy Aircraft can take you, and we're thrilled to celebrate these adventures with our global community.

How to Contribute

Have you added your aircraft to the map yet? If not, now's the perfect time! Simply submit a photo of your Murphy Aircraft (with the registration number visible) and tell us where it's flown. Whether you're flying over your hometown or an exotic destination, your story belongs on the map.

Why Share?

- ▶ Showcase your adventures with a global audience.
- ▶ Inspire others with your favorite destinations.
- ▶ Be part of the growing Murphy Aircraft family.

Submit your photo now, and let's keep the map growing!

Let's make 2025 the year we highlight even more amazing journeys.

Add your Murphy Aircraft to the Global Map today and see how far we've come together.
