## Sitting in the Radical: A Hands-On Experience at NWAC 2025!

The Northwest Aviation Conference & Trade Show, held on February 22-23, 2025, in Puyallup, Washington, was an amazing experience, and we want to extend a huge thank you to everyone who stopped by the Murphy Aircraft booth! This event was filled with aviation enthusiasts, builders, and pilots, and we were thrilled to share our passion for kit planes with you all.

### *A Hands-On Experience with the Murphy Radical*

One of the biggest highlights of the show was giving visitors the chance to sit inside the Radical fuselage, built using our Easy-Build Kit. Seeing the excitement on everyone's faces as they climbed into the cockpit was incredible. Whether you're a seasoned builder, a pilot looking for your next adventure, or just discovering the world of kit planes, this hands-on experience let you feel what it's like to build and fly a Murphy Radical.

Many attendees were impressed by the spacious cockpit, rugged aluminum design, and how straightforward the build process is with our Easy-Build Kit. Some even started imagining their own project right there at the booth.

### *Connecting with the Murphy Community*

Beyond the hands-on experience, we had fantastic conversations with fellow aviation enthusiasts. Hearing your stories, answering your questions, and sharing our love for aviation made the event truly special. The Murphy community is growing, and we love being part of your journey.

### *What's Next?*

If you missed us at Puyallup, don't worry—there are more opportunities to connect with Murphy Aircraft this year! Once again, thank you for being part of the Murphy Aircraft family. We can't wait to see you at the next event!

✨ Fly Murphy. Build your adventure. ✨

# From Parts to Flight: The Murphy Radical Easy-Build Kit in Action!

Building an aircraft is an exciting journey, and with the Murphy Radical Easy-Build Kit, it's easier and more rewarding than ever. If you caught our recent video on social media, you've already seen the gleaming parts that make up the Radical—precision-cut, factory-formed, and ready for assembly. But what does that really mean for you as a builder?

## A Kit That Works With You

Every component in the Easy-Build Kit is designed to fit seamlessly, making the assembly process efficient and straightforward. With pre-formed parts, much of the fabrication work is already done—saving you time while still giving you the hands-on experience of aircraft building. Whether you're a seasoned builder or tackling your first kitplane, the Murphy Radical is built to help you succeed.

## From Your Workshop to the Runway

The best part of the journey? Seeing your aircraft take shape, knowing that each step brings you closer to taking flight in something you built yourself. With the Radical's robust aluminum construction and performance-driven design, you'll be airborne sooner than you think—ready to explore, adventure, and enjoy the freedom of flight.

## Ready to Make It Happen?

For those who have been considering a Murphy Radical, now's the time to take the next step. Whether you're gathering information, planning your build, or ready to place an order, we're here to help. Reach out today and turn your dream into a reality!

## Sun, Skies & Murphy Aircraft – Meet Us at Sun 'n Fun in April!

Spring is just around the corner, and so is one of the biggest aviation events of the year! Murphy Aircraft is excited to announce that we'll be attending the Sun 'n Fun Aerospace Expo in Lakeland, Florida, from April 1-6, 2025.

## Why You Don't Want to Miss This Event

Sun 'n Fun is more than just an airshow—it's an aviation celebration filled with exciting opportunities, including:

- ✓ Murphy Aircraft on Display – See our aircraft up close and talk with the team.
- ✓ Meet Fellow Builders – Connect with other Murphy owners and share experiences.
- ✓ Q&A with the Murphy Team – Have questions about building your own aircraft? We're here to help.
- ✓ Airshows, Workshops & More – Enjoy aerial performances, industry workshops, and aviation exhibits.

## See You in Florida

If you're attending Sun 'n Fun, make sure to stop by our booth and say hello! We love meeting fellow aviation enthusiasts, hearing your stories, and sharing our passion for aircraft building.

*We can't wait to see you in Lakeland!* 😊
